Someone else

Husband: Perceived as a loser, he sacrifices for the marriage and carries guilt regarding his son.

Wife: A successful writer, assertive and she exhibits great rationality.

Child: Blind, the result of indirect consequences caused by the husband.

Anthony: "I created this AI dog, hoping it could become a new member of our family."

Anthony: "It's not just a dog; it's the future."

Ryan: "Look! It shook hands with me!"

Ryan: "I want to give it a name."

Anthony: "Good idea, what do you want to call it?"

Ryan: "How about calling it 'Future'?"

Anthony: "Future; that's very fitting."

Anthony: "It's the AI dog... I didn't expect it to go out of control. It's completely an accident."

Ryan: "Mom, I can't see..." (voice choked with tears)

Phillis: "Your creation blinded our Ryan! Do you have anything else to say?"

Anthony: "I deeply regret it. I will find a way to help him."

Phillis: "Our lives have been ruined by you. how do you remedy this?"

Anthony: "I will do anything, anything."

Phillis: "Your 'anything' is already too late!"

Ryan: "Why did the 'future' hurt me?"

Anthony: "... I don't know. I am so painful."

Anthony: "I will make everything return to normal. I swear."

Phillis: "Your oaths are too late."

News: There was an attack in Boston. AI Dog attack humans. The AISO is investigating this stuff.

We hold a reasonable suspicion that Max, the AI dog, has trouble dealing with emotion.

Judge: Now, the next witness, Ryan, the son of the dead.

Prosecutor: Can you please tell us, what was like in your family before your father died?

Ryan: It was a bit tense. Mom and dad always fight. But they still loved me.

Lawyer: Can you recall anything unusual on the night your father died?

Ryan: That night, I heard them shouting at each other. Then I left the home.

Prosecutor: Do you have any evidence that may prove your mother's innocence?

Ryan: Max can prove that.

Ryan: If mom didn't mention that, I could not think about that.

Ryan: There was a report of Max detecting some drug residues in dad's vomit.

Prosecutor: So you think the report can prove that your father did have intention to kill himself?

Ryan: Yes. Max recorded the conversation between mom and dad that night, and it involved the final communication in house.

Judge: Where is the report right now?

Ryan: I have download it from Max.

(Playing audio and showing report)

Prosecutor: Did you ever think of that it might have been your mother who drowned him?

Prosecutor: I'm not accusing. I'm just expressing a possible viewpoint.

Prosecutor: This report only proves the result, not the cause.

Ryan: Yeah, I thought about that. But I can't think of any reason why Mum would do something like that.

(Everyone is deep in thought)

Ryan: "At that time, because of a malfunction in the AI dog, Dad needed to repair it."

Ryan: "Dad was silent while fixing it."

Ryan: "He didn't play the music he usually plays."

Ryan: "Midway, he and I started talking about the AI dog."

Ryan began to reminisce: "He said: AI dogs can also get sick and die, be prepared."

Ryan: "At that time, I didn't want to hear these things."

Ryan: "I felt the AI dog was fine; it was still new."

Ryan: "I argued with Dad that he would always be with me."

Ryan: "But Dad said that day would come."

Ryan: "He's not just any dog."

Ryan: "He's a good dog, a very good one."

Ryan: "He can anticipate my needs and actions, ensuring my safety."

Ryan: "Throughout his life, he's been thinking about how to make me happy and help me."

Ryan: "Perhaps because he's always taking care of others, he's tired."

Ryan: "Or perhaps, one day, he will pass away."

Ryan: "I still remember Dad saying that when the time comes for him to leave, he will leave."

Ryan: "Dad told me I couldn't do anything about it, even though it would be hard, but not unbearable."

Ryan: "Dad was talking about himself, and now, I only know it at the end."

Anthony: “我创造了这只AI狗，希望它能成为家里的新成员。”

Anthony: “它不仅是一只狗，它是未来。”

Ryan: “看！它跟我握手了！”

Ryan: “我要给它起个名字。”

Anthony: “好主意，你想叫它什么？”

Ryan: “叫它‘未来’怎么样？”

Anthony: “未来，非常合适。”

Anthony: “是AI狗...我没想到它会失控，是个意外。”

Ryan: “妈妈，我看不见了...”（声音哭腔）

Phillis: “你的创造把我们的Ryan弄瞎了！你！！”

Anthony: “我无比后悔，我会找到帮助他的方法。”

Phillis: “我们的生活被你毁了，你怎么补救？”

Anthony: “我会做任何事，任何事。”

Phillis: “你的任何事已经太晚了！”

Ryan: “为什么未来会伤害我？”

Anthony: “我...我不知道，我好痛苦。”

Anthony: “我会让一切变回原样，我发誓。”

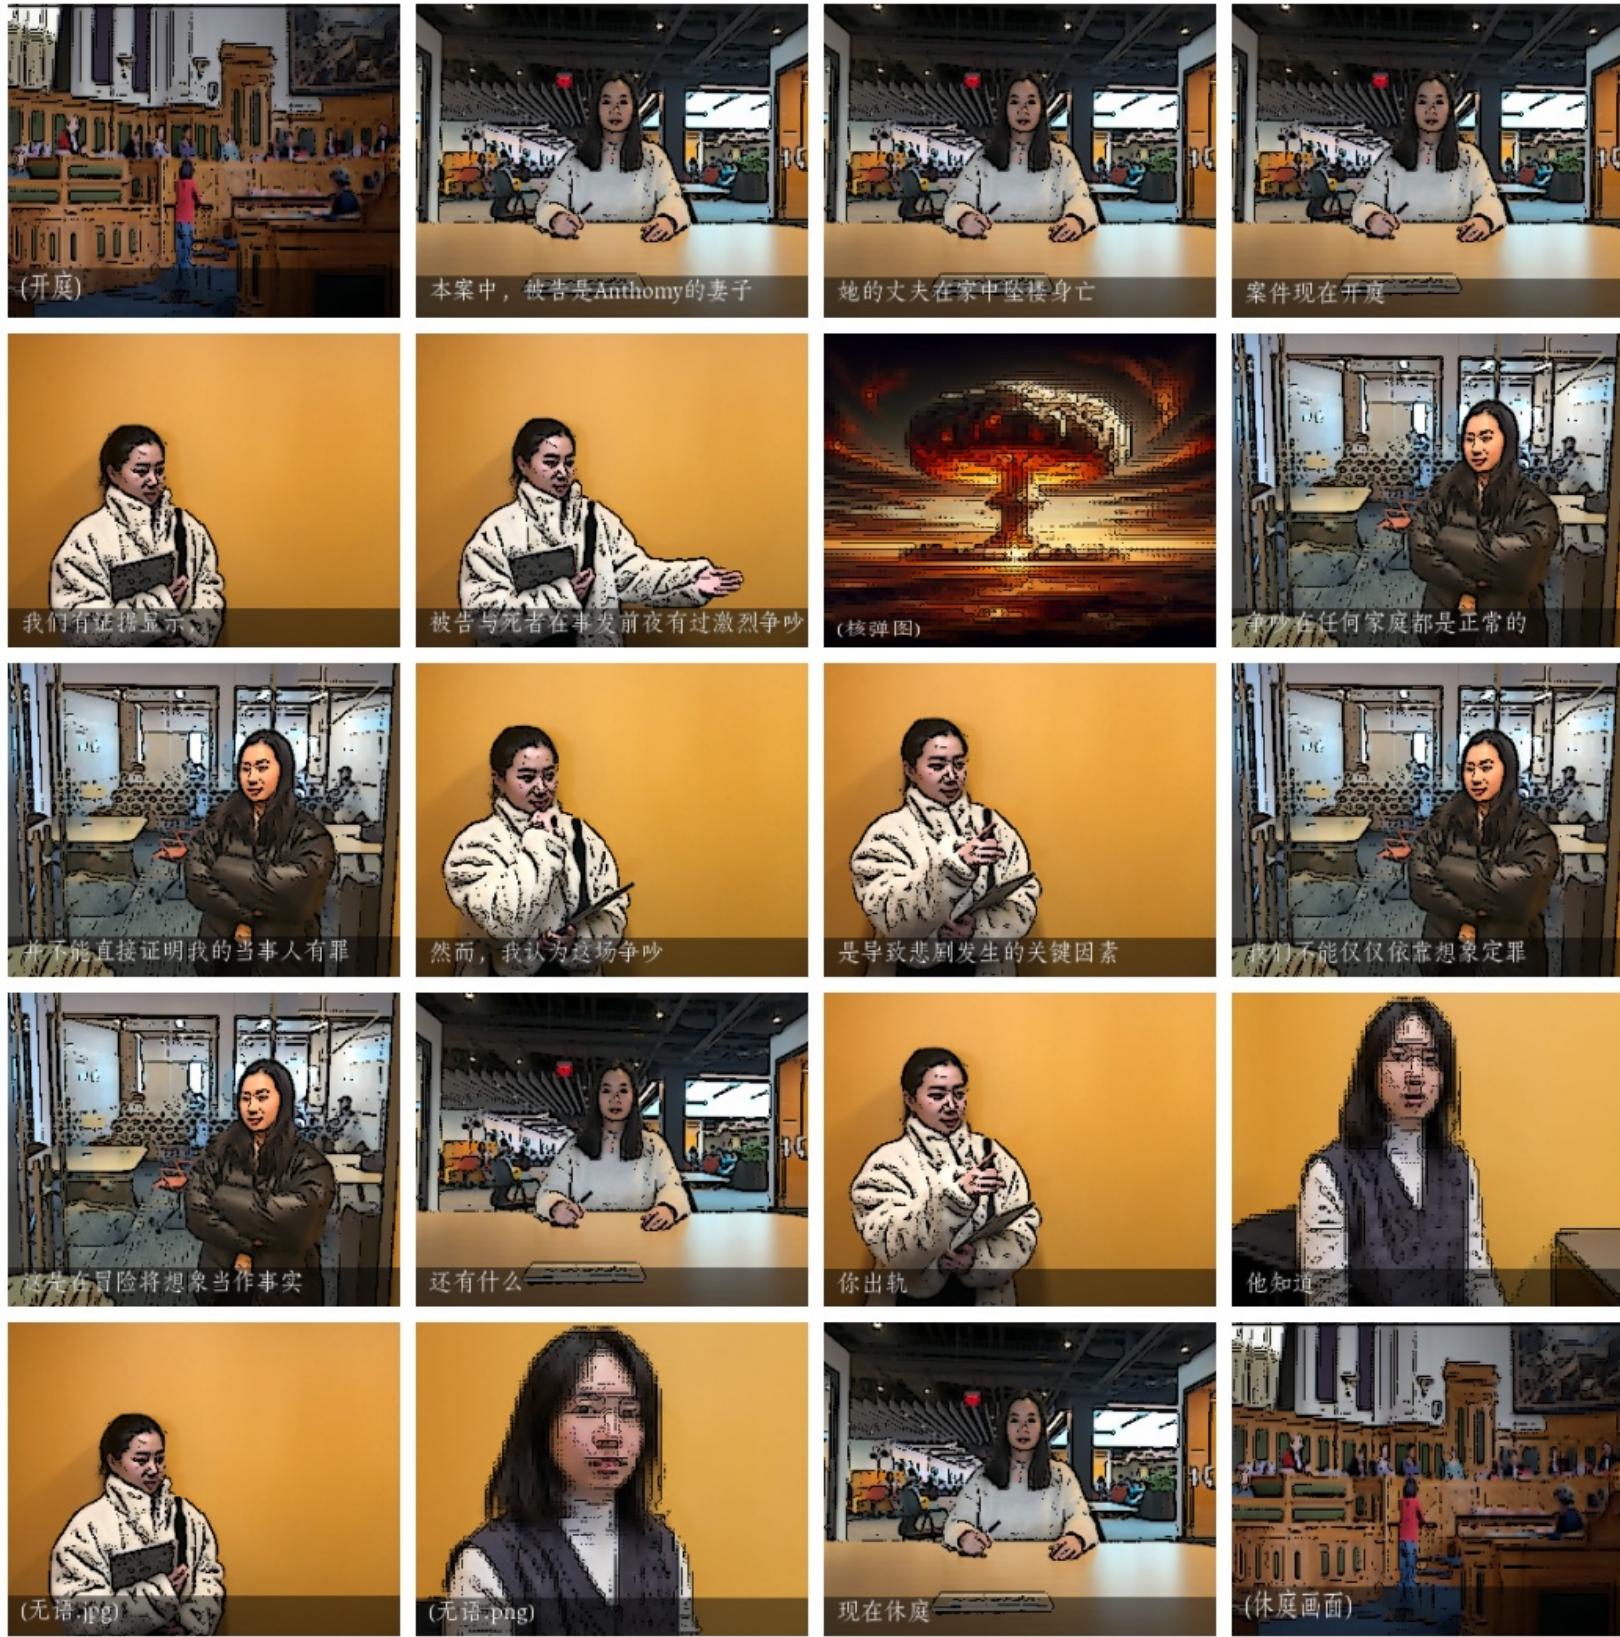

Phillis: “你的发誓已经迟了。”

新闻播报：波士顿日前发生一起AI狗袭击人类的事件，

埃莫里：我们合理怀疑Dr.Vincent 所研发的AI狗有问题

法官：现在，请叫下一个证人——死者的儿子Ryan。

检察官：请你告诉我们，你父亲的死前你们家的气氛如何？

Ryan：家里的氛围有点紧张。
爸爸和妈妈有时会吵架，但他们还是很快乐。

律师：在你父亲去世的那天晚上，
你记得发生了什么特别的事情吗？

Ryan：那天晚上，我听到爸爸和妈妈开始争吵，
然后我就出门了。

检察官：你有证据证明你母亲是清白的吗？

Ryan：Max可以证明。

Ryan：若不是妈妈提到到爸爸有自杀倾向，
我也不知道这件事。

Ryan：Max有一次日志报告，
记录的是从父亲的呕吐物中分析出了一些药品。

检察官：那么，Max的记录能证明你父亲有自杀的意图？

Ryan：是的，Max不仅记录了聊天的内容，
还分析了家中发现的药物成分。

法官：这份日志报告现在在哪里？

Ryan：我已经从Max那下载了下来。

(播放音频和展示报告)

检察官：你有没有想过，可能是你母亲下的药？

检察官：我不是在指控，我只是表达可能的疑点。

检察官：这报告只能证明村寨，而不能证明原因。

Ryan：是的。我想过这一点，但我想不出妈妈这样做的原因。

(众人陷入思考)

Ryan: “当时因为AI
狗故障，需要爸爸修理”

Ryan: “爸爸在修的时
候很沉默”

Ryan: “没有放他往常
都会放的音乐”

Ryan: “中途他和我开
始聊AI狗”

Ryan开始回忆：“他说
：AI狗也会生病和死亡，
要做好准备”

Ryan: “当时我不想听
这些”

Ryan: “我就觉得AI
狗好多了，它还新”

Ryan: “我反驳爸爸说
他会一直陪着我的”

Ryan: “但爸爸说这一
天总会到来的”

Ryan: “他不是一只随
便的狗”

Ryan: “他是一只好狗
，非常好的那种”

Ryan: “他会预判我的
需求和行动，保证我的安全
”

Ryan: “他一生都在思
考如何让我开心并帮助我”

Ryan: “或许因为总是在
照顾别人，他累了”

Ryan: “也或许有一天
他会死去”

Ryan: “我还记得爸爸
说到到了他该离开的时候，他
就会离开”

Ryan: “爸爸跟我说我
无能为力，虽然会很难过，
但并不是无法承受”

Ryan: “爸爸在说他自
己，现在，我到最后才知道
”
